

Ace Of Base, Lucky Love (Acoustic Version)

Life is a paradise
Woah yeah

Lucky love belongs in teenage heaven
I know I know
'Cause I've been there with you tonight
Lucky love belongs in teenage heaven
I know I know
'Cause I've been there with you tonight

I believe life could be paradise once again (once again...)
And the love we thought we lost is sleeping within
Close your eyes
It's something for you

Lucky Love belongs in teenage heaven
I know I know
'Cause I've been there with you tonight
Lucky love belongs in teenage heaven
I know I know
I'm a prisoner of hope I know

We are young and we are old we're falling like leaves (like leaves...)
And your heart's so full of soul it makes me believe
Once again
It's something for you

Lucky love belongs in teenage heaven
I know I know
'Cause I've been there with you tonight
Lucky love belongs in teenage heaven
I know I know
'Cause I've been there with you tonight

A bridge over time is what you need to see the light
To see the light

Woah yeah

Lucky love
Lucky love
Lucky love belongs in teenage heaven
Lucky love
Lucky love
Lucky love belongs in teenage heaven (I know I know)

Lucky love belong in teenage heaven
I know I know
'Cause I've been there with you tonight (rocket there with you)
Lucky love belongs in teenage heaven
I know I know
I'm a prisoner of hope I know
