

# Ace Of Base, Unspeakable

All I wanna say to you  
Oh yeah  
I was unfeeling when you discovered me  
Gave me a reason to not deny my needs  
I was unwilling to give my love away  
But you decided to give yours anyway  
I can't express  
The feelings I possess  
For you, baby  
All I wanna say to you  
Is na-na-na-na na unspeakable  
All I wanna say to you  
Words can't describe it  
All I wanna say to you  
Is na-na-na-na na unspeakable  
All I wanna say to you  
Words can't describe it  
Unspeakable  
Oh yeah  
Never before I need it someone to call my own  
But now that you've got me, don't ever let me go  
Leave me unwanted, you silence every need  
Nothing is missing, your love is so complete  
I can't express (I can't express)  
The feelings I possess (I can't express)  
For you, baby (oh yeah)  
All I wanna say to you  
Is na-na-na-na na unspeakable  
All I wanna say to you (wanna say)  
Words can't describe it  
All I wanna say to you  
Is na-na-na-na na unspeakable  
All I wanna say to you  
Words can't describe it  
Unspeakable  
Never had this feeling that brings me to my knees  
You helped me recover what's been eluding me  
You're a sensation that makes my love run free  
And now I'm speechless, it's all so clear to me  
All I wanna say to you (I wanted)  
Is na-na-na-na na unspeakable  
All I wanna say to you  
Words can't describe it  
All I wanna say to you (I wanted)  
Is na-na-na-na na unspeakable  
All I wanna say to you  
Words can't define it  
All I wanna say to you (I wanted)  
Is na-na-na-na na unspeakable (youe leave me unspeakable)  
All I wanna say to you  
Words can't describe it  
All I wanna say to you (I wanted)  
Is na-na-na-na na unspeakable  
All I wanna say to you  
Words can't define it
