

# Ace Of Base, Waiting For Magic (Aussie Mix)

Waiting for magic  
a man of the world, but lost in a dream  
you look at something from a different angle  
but i exist, waiting for you  
in a coffin made of glass  
kiss me baby, i'm attractive baby  
get to know me, show who you are  
show me that music, baby  
i am snow white sleeping in a coffin waiting for you  
in your dreams a girl is dancing close to you  
that girl is me  
once a witch made her sleep  
but a prince will wake her up it's you  
kiss me baby i am snow white  
sleeping in a coffin waiting for you  
waiting for magic baby  
i'm eternal lying in a coffin  
waiting for you  
waiting for magic  
it's what i do  
waiting for magic  
for me and you  
ohh kiss me baby wake me up  
ohh kiss me baby wake me up  
ohh, come on baby  
kiss me baby i am snow white  
sleeping in a coffin waiting for you  
waiting for magic baby i'm eternal  
lying in a coffin waiting for you  
waiting for magic.....
