

Ace Of Base, What's The Name Of The Game (F

0:05

What's the name of the game?

Oho yeah yea

0:24

Age of time

Looking through the windows

It's the age of time

Travelling through the world

Age of time

Leaves no room for longing

For a love like blood in me

A love like blood that never dies

0:44

What's the name of the game?

Thinking about our story

What's the name of the game?

Honey don't you worry

You're the code to my heart

Be my own redeemer

What a combination, baby (I wanna know)

What's the name of the game?

1:08

Young at heart

I know what we're needing

But the age of time

It's spreading through the world

God takes shape

Who can run the game now

For a love like blood in me

A love like blood that never dies

1:28

What's the name of the game?

Thinking about our story

What's the name of the game?

Why don't you worry

You're the code to my heart

Be my own redeemer

What a combination, baby

What's the name of the game?

What's the name of the game?

1:57

I stand in the line, I do as I'm told

Get burning within is you

I follow you today, I follow you today

I follow you, I'm your disciple

A love like blood that never dies

2:17

What's the name of the game? (that never dies)

Thinking about our story

What's the name of the game?

Honey don't you worry

You're the code to my heart

Be my own redeemer

What a combination, baby (what's the name of the game?)

2:37

I wanna know what's the name of the game? (what's the name of the game?)

Thinking about our story

What's the name of the game? (what's the name of the game?)

Honey don't you worry

You're the code to my heart (what's the name of the game?)

Be my own redeemer

What a combination, baby

2:59

What's the name of the game?
