Ace Troubleshooter, Age Of Gold

Remember when remember you and me in feilds of blue and white.
And i would never take it back.
The stand-offs and the make-ups on the bench our scene for hours and hours, and i would never ta
And i would never take it back for all the gold in the world.
On and on and on she leads me on and on forever, time will run back.
And fetch the age of gold.
All that i have to hold your hand in mine and lose all sense of time, and i would never take it back.
So close you eyes i'll kiss you and i'll hold your tightly until dawn, and i would never take it back.
And i would never take it back for all the gold in the world.
On and on and on she leads me on and on forever, time will run back.
And fetch the age of gold.
Remember when, remember you and me and time...
On and on and on she leads me on and on forever, time will run back.
On and on and on she leads me on and on forever, time will run back.
And fetch the age of gold.
