

Ace Troubleshooter, I Love Jesus

He's just, He's fair, I know He cares
About me and about you
And I know that He is true
He's awesome and totally rad
He's good, and not bad!
And I know He loves me, too

Yeah I love Jesus
And He loves me, too

He was a man who had a plan
And for that man I'm in this band
I gave my heart to Him
He gave His life upon that tree
He died to set you and me free
Will you give your heart to Him?
