

Achozen, Deuces

-What's the Achozen?-

Deuces is wild this is pitty pat

2-2 with the triple fat goose.

You! You aint ever placed a bigger bet,

You! You aint never seen a bigger threat.

Deuces is wild getting willy off a bag of ily

Iced out on the sand like a chilly willy

You! You aint ever placed a bigger bet

Deuces is wild, it's a triple threat.

In the world that's been frozen

They come be Achozen

Rise up from the dead

Overthrow the erosion

Forces of evil controlling our people

Deuces is wild and their wisdom is lethal

So fast you kill my rap

Your phantom power,

My anthem will strike the power

The truths that which are right

And which will be sanctum power

This is how I spit

My night

To this very time

An hour with disrespect

A light we shine
