

Acid Android, Ring The Noise

Your instinct is more to mad than to mad
Your instinct is more better now than better now
Your instinct is more to mad than to mad
Your instinct is more better now than better now
Your instinct is more to mad than to mad
Your instinct is more better now than better now
Step into get ring the noise
Not use your reason
You heated of only yourself
Tonight, it's the raw
you know what you have to do
you know what you have to do
you know what you have to do
you're the last
the other phrase is see the right now
