

# Acid Drinkers, Gain On Shit

There is no life  
In what you selling me  
There is no life  
The love that you offer  
Is synthetic stuff  
Is synthetic stuff  
I can't see any happiness  
In what you're dealing  
You can keep goin' for it  
You only gain on shit  
Goin for it  
Gain on shit  
There is no life  
In what you selling  
There is no life  
The love that you offer  
Is synthetic stuff  
Is synthetic stuff  
What you call truth  
Is just poisonous lies  
Stop telling me I need  
To be ideal man  
Goin for it  
Gain on shit  
There is no life  
Is synthetic stuff!!!
