

# Acid Drinkers, I fuck the violence

(I'm Sure I'm Right)

Did you see these guys fighting on the streets  
Did you hear these f...ers, waitin' for you and me  
Did you see your friend, bleeding on his knees  
Do you feel the fear, darkness is coming here  
Did you see the blood on the walls of houses  
Do you feel the fear, darkness is coming here  
I f... the violence and I'm sure I'm right.
