

Acid Drinkers, I'm A Rocker

I've appeared without a reason
yeah, I came without an invitation
I climbed your heads with my dirty shoes
and sick behaviour.

I sit down astride your face
and I grasp your most sensitive place
and I don't care, that you're calling police,
yeah, I'm the best customer of gallows
I'm the best customer of the gallows
I'm a rocker, a real muthaf**ker
I'm a rocker

I'm a rocker, a real muthaf**ker
I'm a rocker, a real muthaf**ker
I've arrived here without warning
'cause I heard something just like calling
and I'm a property of executioner.

I'm gonna lash your boorish conscience
and I tenderly treading your hearts
oh, I don't care, that you're calling police
I'm the best customer of gallows
Yes, I'm the best customer of the gallows

I'm rocker (x2)

I'm a rocker, a real muthaf**ker

I'm a rocker

I'm a rocker, a real muthaf**ker

I'm a rocker, a real muthaf**ker
