

Acid Drinkers, Rock'n'roll Beast

I got nothing to say
and nothing to reproach
Hi! Tausenn
Welcome to the nasty boys.
I got something to drink
and I'm not gonna reduce
we're in Tausen
in the Centre of the Universe
I wanna, you wanna
catch him, catch him
hunting-mania
I met rock'n'roll beast and I had no chances
I can only win
and I gothing to lose
here in Tausen
in the sanctuary of the booze.
I wanna, you wanna
catch him, catch him
hunting mania
I met rock'n'roll beast
And I had no chances
