

# Acid Drinkers, Seek & Destroy (Metallica cover)

We're scanning the scene in the city tonight  
we're looking for you to start up the fight  
oh, there is an evil feeling in our brains  
but it's nothing new, you know it drives us insane  
Running on your way  
Hiding you will pay  
dying one thousands deaths  
Searching... seek and destroy  
There is no escape and that's for sure  
this is the end we won't take anymore  
say good-bye to the world you live-in  
you've always been taking but now you're givin  
Running on your way  
Hiding you will pay  
dying one thousands deaths  
Searching... seek and destroy
