

# Acid Drinkers, The Last Lap

Don't give up  
Give all that you got  
This is your final lap  
Open the door  
Because you need some more  
The stuff that you adore  
Crawl as a snake  
And never take a break  
It's like a piece of cake  
Play the piano  
Repair your car  
Prepare the meal  
Hurry up  
It's your last lap  
You gonna make it  
You gonna take it  
You gonna break it
