

Acid Drinkers, Then She Kissed Me

Well, she walked up to me and she asked me
if I wanted to dance
she looked kind of nice and so I said
I might take a chance
when we danced she hold me tight
and wne I walked her home that night
all the stars were shining bright and then she
kissed me
Each time I saw her I couldn't wait
to see her again
I wanted to let her know that she was
more than a friend
I didn't know just what to do, so I whispered "I love you"
she said that she loved me too and then she f**ked me.
She kissed me in a way that I've never been kissed
kissed, kissed before
she kissed me in a way that I want to be kissed
forver more
I knew that she was mine, so I gave her all the love that I had
and one day she took to meet her mum and her dad
Then I asked her to be my bride and always be right by my side
she felt so happy, she almosed cried and then she kissed me
Then I asked her to be my bride and always be right by my side
she felt so happy, she almosed cried and then she kissed me
and then she f**ked me, and then she kissed me.
