

# Acres Of Lions, Let's Get Sentimental

This is awkward.

I don't know you and you don't know me, yet here we are together, the perfect company.

Yes, you are an adventure, excursion to the farthest reaches of some galaxy.

Yes, you are a mystery.

And I don't tell you enough,

how much I love the way you keep me on the edge of my seat.

Hey! It was nice to know you for the time I did!

And hey, if I don't come home you can have my things.

I won't be needing them.

This is harder. I've become accustomed to you.

I've become a sucker for your subtleties.

But I can never tell you exactly what I mean.

These sentimental things, they don't come out easily.

And I don't tell you enough, how much I love you in those colours.

I love the way that jacket looks on you.

And I don't tell you enough,

how much I love the way you keep me on the edge of my seat.

Hey! It was nice to know you for the time I did!

And hey, if I don't come home you can have my things.

I won't be needing them.

That's the beauty of it all, we don't have to speak.
