

# Across The Border, A New England

I was twenty one years when I wrote this song  
I'm twenty two now, but I won't be for long  
People ask when will you grow up to be a man  
But all the girls I loved at school  
are already pushing prams

I loved you then as I love you still  
Tho I put you on a pedestal,  
They put you on the pill  
I don't feel bad about letting you go  
I just feel sad about letting you know

I don't want to change the world  
I'm not looking for a new England  
I'm just looking for another girl  
I don't want to change the world  
I'm not looking for a new England  
I'm just looking for another girl

I loved the words you wrote to me  
But that was bloody yesterday  
I can't survive on what you send  
Every time you need a friend

I saw two shooting stars last night  
I wished on them but they were only satellites  
Is it wrong to wish on space hardware  
I wish, I wish, I wish you'd care

I don't want to change the world  
I'm not looking for a new England  
I'm just looking for another girl
