

# Action Action, Oh, My Dear That's Just Chemical

The time is now, and I'm running so thin, I got thin, I got thin, while the others got fat.  
So fatten up, and deliver your secrets, those secrets, those stories untold.  
Sorry say, love is a game; we're all just pawns in the way.  
Lost, lost, lost, move the rook-E-eight, eliminate and get this game underway.

Too many secrets are shattering our lives, while others are stuck in expansive time. I've been trying

Speak of the devil, and I just may appear, I appeared in your dream, when you dreamed of getting

Too many secrets are shattering our lives, while others are stuck in expansive time. I've been trying

Which shall I be a warlock or a priest, a pagan, Christian or an evangelist? Pledge my alliance in th

Self serve friends, who are friends for a second, I second that notion, it feels so intense. Intensely f  
Soon, soon, soon, with the rope in the kitchen, all the answers will be on there way.

Too many secrets are shattering our lives, while others are stuck in expansive time. I've been trying
