

# Action Reaction, The Exit Poll Amen

You've got issues with love  
'Cause you've got nothing to prove  
Only heart, lonely heart  
Only heart, lonely heart  
(Whoa, whoa, whoa)  
And he won't show you  
That place in the dark  
(Whoa, whoa, whoa)  
Open wide, there's no light  
And what's a boy to do  
I'll be your watching eyes  
Like poison in the sky  
Not like I'm voting for the door  
Look closer, they cry on and on  
Just give me something addictive  
Just give me something  
You guys must feel  
Absolutely stupendous  
You just got pulled through the pipes  
That you pissed in  
And I'll sing for you  
But that's all that I can do  
I'll be your watching eyes  
Like poison in the sky  
Not like I'm voting for the door  
Look closer, they cry on and on  
Just give me something addictive  
Just give me something  
I'll be your watching eyes  
Like poison in the sky  
Not like I'm voting for the door  
Look closer, they cry on and on  
I'll be your watching eyes  
Like poison in the sky  
Not like I'm voting for the door  
Look closer, they cry on and on  
Just give me something addictive  
Just give me something
