

Action, Submission

Forced into squalor, condemned to be poor
Promised reprieve like a temper, a lure
Prospect of success is the bait they employ
To keep us complacent and stifle our cries
SUBMISSION'S THE TOOL USED AGAINST US
Malleable minds watch the news on TV
Fed select information that's deemed safe to see
A palatable reality prepared behind doors
Safe for the masses who care for no more
SUBMISSION'S THE TOOL USED AGAINST US
Consumed by the dollar the greed that it breeds
Consumed by consumption and purposeless need
They watch from their towers the rat race unfold
Moderate the millions who do what they're told
SUBMISSION'S THE TOOL USED AGAINST US
