

# Action with no reaction, Don't want to say

Action with no reaction  
Miscellaneous  
Don't want to say  
If I could clean up this shit  
Could you fucking let it go  
And Fucking leave me alone  
And if I didnt say  
Could you fucking leave me alone today

I dont want to fucking say  
Is that okay  
If I dont want to say  
Could you fucking leave me alone today

I dont want to say  
Dont wanna say  
Dont want to fucking say  
And would it be okay  
Could you fucking leave me alone today

To see you sitting there behind a cigarette  
Everyone knows it  
From the queen of England  
To the Gates of hell  
And would it be okay  
Could you fucking leave me alone today

And if I dont want to say  
Then Im not  
If you could let this go  
And would it be okay  
Could you fucking leave me alone today

And if I couldnt say  
Could you fucking leave me alone

Leave me alone!  
Leave me alone!  
Fucking leave me alone!
