

Acumen Nation, Punkass

i messed around with your silly mind
i poked around in your knee deep philosophy
so i made your mama cum, and i stole your shoes
i ate your porridge kid, i ate your porridge

what do you mean, pride
what do you mean, hide
neither you nor i can die -- unless we want!

whiskey dick in a shanty town
beaver snake in my snord sruebens underwear
polio, polio, polio kids for me!
yer talkin crap merrick, yer talkin crap merrick!
how do ya like me now?
how do ya like me now?
how do ya like me.. how do ya like me..

what do you mean, pride
what do you mean, hide
neither you nor i can die
neither you nor i can die -- unless we want!
