

# Acumen Nation, The Blind Pig

fat slaps the space between  
cool life and tv screens  
sick nights a dish best served  
gel-capped and sugar cured

HOW MANY TIMES DO YOU -- NEED TO BE SHOWN?  
HOW MANY TIMES DO YOU -- NEED TO BE TOLD?

fat traps the faith between  
cruel life and tv dreams  
may cause some drowsiness  
eat six to ease the stress  
my solemn pledge renewed  
some side effects include  
plunge from ceramic sludge  
i'm a little teacup with toxic plugs

irritating WASTE!  
cram down all the filth that they're feeding you  
suck up all the poison 'cause it doesn't matter anyway  
fat and fucked is just how we want you  
begging for the pharmaceutical relief you know is just a joke  
is just a joke  
is just a joke!  
on you -- disgusting you!

headaches - dizziness -- stomach pains  
brain tumors -- panics - dizziness -- mood changes  
nausea and stomach pains

HOW MANY TIMES DO YOU -- NEED TO BE SHOWN?  
HOW MANY TIMES DO YOU -- NEED TO BE TOLD?  
HOW MANY TIMES DO YOU -- NEED TO BE SHOWN?  
HOW MANY TIMES DO YOU -- NEED TO BE TOLD?  
the doctor is always RIGHT!  
the doctor is always RIGHT!  
the doctor is always RIGHT!  
and you.. are.. fuck-ing WRONG!

cram down all the filth that they're feeding you  
suck up all the poison 'cause it doesn't matter anyway  
fat and fucked is just how we want you  
begging for the pharmaceutical relief you know is just a joke...
