

Adam And The Ants, Don't Be Square

Music for a future age
Don't be square be there
All good clean fun
(whatever that means)
Antmusic for Sexpeople
Sexmusic for Antpeople
Get off your knees
And hear the insect prayer

The brain will suffer
So ride hard ride clean
How reputations scare
And love goes to war
(whatever that means)
Antmusic for Sexpeople
Sexmusic for Antpeople
Get off your knees
And hear the insect prayer

Dirk wears white sox (3x)

Antmusic for Sexpeople
Sexmusic for Antpeople

And we gotta like this
And we go like that

Antmusic for Sexpeople
Sexmusic for Antpeople
Antmusic for Sexpeople
Now!

You may not like it now but you will (4x)

Music for a future age
Don't be square be there
All good clean fun
(Whatever that means)
Antmusic for Sexpeople
Sexmusic for Antpeople
Get off your knees
And hear the insect prayer

Dirk wears white sox (3x)

Antmusic for Sexpeople
Sexmusic for Antpeople

You may not like it now but you will (2x)
The future will not stand still

You may not like it now but you will
(Dirk wears white sx) (2x)
The future will not stand still
