

Adam And The Ants, Red Scab

I got a heart on my arm
It says pure sex
It hurts
I mean it
Yeah

Red red scab
Red red scab
Red red scab

I got it till I die
Or till I reach orgasmo
I'm gonna get myself a girl with a gun (and fuck 'er)
She's gonna blow my throbbing brain*
Yeah (I fell over)

Red red scab
Red red scab
It was a red red scab
A red red scab
Red red scab
A red red scab
Red red scab
Red red scab
Red red scab

Hey Marco, not so many noise, eh?
Sorry guys, me dad wants to put the car in the garage...

*in some other (live) versions it is "blow my fuckin' brains out";
