

Adam Ant, Beat My Guest

Adam Ant

Well tie me up and hit me with a stick

Beat me beat me

Yeah, use a truncheon or a household brick

Beat me beat me

There's so much happiness behind these tears

Beat me beat me

I pray you'll beat me

For ten thousand years

Beat me beat me

I'm black and blue baby

I love you

Be your dog

For just one flog

You don't hear me plead

For you to make me bleed

Beat me beat me

Oh oh oh oh oh

Oh oh oh oh oh

Well use a truncheon or a cricket bat

Beat me beat me

A good beatings really where its at

Beat me beat me
