

Adam Ant, Mile High Club

Adam Ant/Marco Pirroni

747 or a VC10

winter, summer who knows when?

takeoff passion flyaway love

Mile High Club

it's got its ups and downs

it's got its ups and downs

it's got its ups and downs

it's got its ups and downs

I never heard that noise before

don't be treated like a pound

let currencies go up and down

Mashed Potato, Rocksteady Rub

Mile High Club

it's got its ups and downs

it's got its ups and downs

it's got its ups and downs

it's got its ups and downs

I never heard that noise before

never give up never say die

ignore the fools when they cry

"If this thing fails - nothing at all!"

It won't fail

it's got its ups and downs

it's got its ups and downs

it's got its ups and downs

it's got its ups and downs
