

Adam Brand, Words Cannot Say

Words cannot say
What I want them to say
To show how I feel
That my love is real
To hold you my love
Is all I can do
To make you see
You're the world to me

I would climb every mountain
I would sail every sea
There ain't a woman alive who could satisfy
The way you satisfy me

Words cannot say
What I want them to say
To show how I feel
That my love is real
To hold you my love
Is all I can do
To make you see
You're the world to me

You're the source of my constant joy
And you work so tirelessly
I could never leave and I don't know how
To repay your loyalty

Words cannot say
What I want them to say
To show how I feel
That my love is real
To hold you my love
Is all I can do
To make you see
You're the world to me

To make you see,
You're the world to me
