

# Adam Brand, Words Cannot Say

Words cannot say  
What I want them to say  
To show how I feel  
That my love is real  
To hold you my love  
Is all I can do  
To make you see  
You're the world to me

I would climb every mountain  
I would sail every sea  
There ain't a woman alive who could satisfy  
The way you satisfy me

Words cannot say  
What I want them to say  
To show how I feel  
That my love is real  
To hold you my love  
Is all I can do  
To make you see  
You're the world to me

You're the source of my constant joy  
And you work so tirelessly  
I could never leave and I don't know how  
To repay your loyalty

Words cannot say  
What I want them to say  
To show how I feel  
That my love is real  
To hold you my love  
Is all I can do  
To make you see  
You're the world to me

To make you see,  
You're the world to me
