Adam Faith, It's Alright

(slow twice with no call-response, fast twice including call-response)
[chorus]
(Well) If you want me
's alright
It's alright (It's alright)
It's alright (It's alright)
Well if you want me
It's alright
It's alright (It's alright)
It's alright (It's alright)

Call me
Any time that you want me
Any time that you want me
And I think that you might

You know how...
How I love ya
Believe me
How I love ya
Believe me

If you want me
's alright

[chorus]

[Guitar solo and Harmonica solo]

[chorus]

Give me
All the love that you got, dear
All the love that you got, dear
Come and hold me real tight

I really
Really love you a lot, dear
Really love you, so what dear?

If you want me
's alright

[chorus, repeat and fade]
