

Adam Freeland & Sarah Vaughan, Fever

Never know how much I love you
Never know how much I care
When you put your arms around me
I get a fever that's so hard to bear
You give me fever, when you kiss me
Fever when you hold me tight
Fever in the morning
Fever all through the night
Sun lights up the daytime
Moon lights up the night
I light up when you call my name
You know you're gonna treat me right
You give me fever, when you kiss me
Fever when you hold me tight
Fever in the morning
Fever all through the night
Everybody's got the fever
That is something you should know
Fever isn't such a new scene
Fever started long ago

Captain Smith and Pocahontas
Had a very mad affair
When her daddy tried to kill him
She said, Daddy oh don't you dare
He gives me fever with his kisses
Fever when he holds me tight
Fever, fever, fever, fever, fever
I'm his Mrs, won't you treat him right?
Now you've listen to my story
Here's the point that I've made
Chicks were born to give you fever
Be it fahrenheit or centigrade they give me fever
Fever, when you kiss them
Fever, if you live and learn
Fever, 'til you sizzle
What a lovely way to burn
They give me fever
They give me fever
