

# Adam Green, Cast A Shadow

The Sandman has given me a special gift  
A sleepy dream memory of our first kiss

Cast a shadow in my direction  
Cast a shadow in my direction  
Bring back shadows of your affection  
Cast a shadow in my direction

If the Sandman comes tonight I have a request  
A snapshot dreamy keepsake of your embrace

Cast a shadow in my direction  
Cast a shadow in my direction  
Bring back shadows of your affection  
Cast a shadow in my direction

Bring back shadows over here  
Bring back shadows of your face  
We'll make shadow plays  
We'll dig shallow frames  
In my shady shallow cave

Shadow grows longer in my twilight sleep  
I stopped then to remember  
I'm just counting sheep
