

# Adam Green, Jessica

Jessica Simpson  
where has your love gone  
it's not in your music  
no  
you need a vacation  
to wake up the cavemen  
and take them to Mexico

Jessica, Jessica Simpson  
you've got it all wrong  
your fraudulent smile  
the way that you think that the day you die

my body's in trembles  
infested with brambles  
that sharpen the air i breathe  
what's in the menu  
Jessica can you  
take down my order please

Jessica, Jessica Simpson  
you've got it all wrong  
your fraudulent smile  
the way that you think it the day that you died

tomorrow gets closer  
a purple bulldozer  
is calling you on the phone  
your love life precedes you  
your son in law feeds you  
injections of cortisone

Jessica, Jessica Simpson  
you've got it all wrong  
your fraudulent smile  
the way that you faked it the day that you died  
Jessica Simpson  
where has your love gone  
it's not in your music  
so where has it gone then?  
Jessica...
