

Adam Green, Salty Candy

In the front of the line,
And I'm back at home.
I wanna live my life
In a bathtub.
Roll the dirty dice,
And you're paying blood.
Stole a maxi pad,
As I abandon love.

It reminds me of
Salty candy,
Semen shanties.
Sailboats grinding
Up against your back.

I don't need no
Sentimental
Penis stencil.
Feelings rising,
opposites attract!

She made me feel so small,
I had no say at all.
She looked so cute, they say,
But I don't know her that way.

Heaven hold me back,
Got 20 lives.
Got my Jesus jammies,
Need some exercise.
Take a walk at night
Past the dating bar.
I wanna live my life
Like a track star.
