

# Adam Green, Salty Candy

In the front of the line,  
And I'm back at home.  
I wanna live my life  
In a bathtub.  
Roll the dirty dice,  
And you're paying blood.  
Stole a maxi pad,  
As I abandon love.

It reminds me of  
Salty candy,  
Semen shanties.  
Sailboats grinding  
Up against your back.

I don't need no  
Sentimental  
Penis stencil.  
Feelings rising,  
opposites attract!

She made me feel so small,  
I had no say at all.  
She looked so cute, they say,  
But I don't know her that way.

Heaven hold me back,  
Got 20 lives.  
Got my Jesus jammies,  
Need some exercise.  
Take a walk at night  
Past the dating bar.  
I wanna live my life  
Like a track star.
