

# Adam Gregory, Me Too

Do you feel your heart beating a million miles an hour?

Me too

Like we're being guided by some higher power

Me too

Do you kinda get the feeling this feeling's so right

There must be a reason we're together tonight

Do you think it might be love we're falling into?

You do?

Me too

Don't you wanna know where this emotion is going?

Me too

Wouldn't you hate to go thru life never knowing?

Me too

Is it my imagination or is something so strong

Going on between us that it can't be wrong

Do you think you've got the heart to see this thru?

You do?

Me too

Do you think you've got the heart to see this thru

I really wanna know baby, tell me the truth

| Do you think it might be love we're falling into?

You do? You do? You do...

Me too

Me too

Do you feel your heart beating a million miles an hour?

Me too

Like we're being guided by some higher power?

Me too

Say you do, say you do, say you do

Say you do, say you do, say you do

Can you feel it?

BABY, can you feel it?

Can you feel it baby?

Me too
