

# Adam Gregory, Sky Is The Limit

I sat on the couch, with a book in my hand  
I thought of all the good times that I've had  
But even though life's sometimes hard  
and it's hard to understand  
The sky is the limit, so do with it what you can  
Oh, the sky's the limit oh the sky never ends  
even though life's a struggle, one day it will end  
So make the best of what you have  
be it good or be it bad  
And oh, the sky is the limit  
so do with it what you can  
I wake up every morning,  
with a smile upon my face  
The day seems so exciting,  
I could never complain  
My family is so supportive  
they're the best that a boy could have  
So take each day for what it's worth  
And then you'll understand why...
