ADAM, Kaos Inside

I wanna be
A fucking electronic star
I'll make you dance
till your legs are dead and gone

I'll make you bleed
On this fucking dance floor
I wanna see the ground
Covered by your blood

Kaos inside
To generate a dancing star
Kaos inside of me

You have to dance
Till your body is torn apart
It's not a game
The beats pumping so hard

A kingdom made
Of beats so heavy and dark
This is the way
To generate a dancing star

Whole people think that
I am still the same
Insane inside,
I am more than insane!!

The golden child
The king of my world
I am my own God
So fuck you all!!

Kaos inside
Kaos inside
Kaos inside
Kaos inside

You can be free
You can be anything you wanna be
I'll set you free
My medicine is beyond your tragedy

Kaos inside
Kaos inside
Kaos inside
Kaos inside
