

Adam Lambert, Better Than I Know Myself

Cold as ice
And more bitter than a december
Winter night
That's how I treated you
And I know that I
I sometimes tend to loose my temper
And I cross the line
Yeah that's the truth

I know it gets hard sometimes
But I could never
Leave your side
No matter what I say

Cause if I wanted to go I would gone by now, but
I really need you near me to
Keep my mind off the edge
If I wanted to leave I would left by now
But you're
the only one that knows me
Better than I know myself

All along I tried to pretend it didn't matter
If I was alone
But deep down I know
If you were gone
For even a day I wouldn't know which
way to turn
Coz I'm lost without you.

I know it gets hard sometimes
But I could never
Leave your side
No matter what I say

Coz if I wanted to go I would gone by now but
I really need you near me to
keep my mind off the edge
If I wanted to leave I would left by now
But you're
the only one that knows me
Better than I know myself.

I get kind of dark
Let it go to far
I can be obnoxious at times
But trying to see my heart
Cause I need you now
So don't let me down
Yo're the only thing in this world
I would die without

Coz if I wanted to go I would gone by now but
I really need you near me to
keep my mind off the edge
If I wanted to leave I would left by now
But you're
the only one that knows me
Better than I know myself.

Coz if I wanted to go I would gone by now but
I really need you near me to
keep my mind off the edge
If I wanted to leave I would left by now

But you're
the only one that knows me
Better than I know myself
