Adam Lambert, Pick U Up

Jumpin' out the window<br /&gt;

Movin' on, groovin' on<br /&gt;

Which way will the wind blow?<br /&gt;

We can't be wrong, so say & amp; quot; So long & amp; quot; & amp; lt; br / & amp; gt;

<br /&gt;

I'ma pick you up, I'ma pick you up&It;br />

What're you tryin' to say to me?<br /&gt;

Catch the train and do what you're tryin' to do<br /&gt;

Are you gonna play with me?<br /&gt;

<br /&gt;

All my life, I've been waiting<br /&gt;

Pass my time, procrastinating now<br /&gt;

It's a trip, I'ma flip and flash right through the scene&It;br />

Can't you see what I mean?<br /&gt;

<br /&gt;

Breaking through the boundaries<br /&gt;

Rollin' on, strollin' on<br /&gt;

They won't ever find me<br /&gt;

And after all, we'll have a ball<br /&gt;

<br /&gt;

I'ma pick you up, I'ma pick you up<br /&gt;

We're gonna see where we can go<br /&gt;

This is how I live, this is what I give<br /&gt;

And you're the one I want to know<br /&gt;

<br /&qt;

All my life, I've been waiting<br /&gt;

Pass my time, procrastinating now<br /&gt;

It's a trip, I'ma flip and flash right through the scene&It;br />

Can't you see what I mean?<br /&gt;

<br /&gt;

Tiny minded, two-tone suckers<br /&gt;

Same old faces make me shudder<br /&gt;

Countless times I've screamed, & amp; quot; Oh brother! & amp; quot; & amp; lt; br / & amp; gt;

Where are you? I need someone to be my lover<br /&qt;

<br /&gt;

All my life, I've been waiting<br /&gt;

Pass my time, procrastinating now<br /&gt;

It's a trip, I'ma flip and flash right through the scene&It;br />

Can't you see what I mean?<br /&gt;

<br /&qt;

It's a trip, I'ma flip and flash right through the scene&It;br />

Can't you see what I mean?
