Adam Lambert, Strut

I want to start a revolution<br /&gt;

A type of personal solution<br /&gt;

We all have got our own pollution<br /&gt;

It's all about the execution<br /&gt;

<br /&gt;

You got something to say, your hands are tied, open your mouth, open it wide<br /&gt; Let the freedom begin<br /&gt;

Get on the floor, just let it drive, don't it feel good, don't it feel hot?<br /&gt;

Feel the fire within<br /&gt;

<br /&gt;

I wanna see you strut, strut, strut, come on walk for me<br /&gt;

Strut, strut, strut, how you wanna be<br /&gt;

Everybody's looking for some love, but they don't know<br /&gt;

How to let it all hang out and that's why they're solo<br /&qt;

<br /&gt;

Solo, solo, don't wanna be solo<br /&gt;

Solo, solo, don't wanna be solo<br /&gt;

<br /&gt;

We're a complicated nation<br /&gt;

And now we're in a situation<br /&gt;

Let's take a Maybelline vacation<br /&gt;

And get yourself some validation<br /&gt;

<br /&gt;

You got something to say, your hands are tied, open your mouth, open it wide<br /&gt; Let the freedom begin<br /&gt;

Get on the floor, just let it drive, don't it feel good, don't it feel hot?<br /&gt;

Feel the fire within<br /&gt;

<br /&gt;

I wanna see you strut, strut, strut, come on walk for me<br /&gt;

Strut, strut, strut, how you wanna be<br /&qt;

Everybody's looking for some love, but they don't know<br /&gt;

How to let it all hang out and that's why they're solo<br /&gt;

<br /&gt;

Solo, solo, don't wanna be solo<br /&gt;

Solo, solo, don't wanna be solo<br /&gt;

<br /&gt;

I'll be your mirror<br /&qt;

Darling, let your hair down<br /&gt;

Show me what you're working with<br /&gt;

And let me see you<br /&gt;

<br /&gt;

Strut, strut<br /&gt;

Strut, strut, how you wanna be<br /&gt;

<br /&qt;

Everybody's looking for some love, but they don't know<br /&qt;

How to let it all hang out and that's why they're solo<br /&qt;

Solo, solo, don't wanna be solo<br /&gt;

Solo, solo, don't wanna be solo<br /&gt;

<br /&gt;

Strut for me and show me what you're working with<br /&gt;

Strut for me and show me what you're working with
