

Adam Lambert, Superpower

there's something missing
and I am pissed
and I've got something to say
oh, yeah!

All of the witches and demons better get out my ay
aye aye!

I get back up when I fall
rip the paint off the wall
when I win
imam run and take the money

try to put me in a box
make me something I am not
don't give a fuck
cause I am gonna take back my superpower
my superpower
my superpower
my super power
my super power

I know I am nor the only one who
thinks this shit ain't talk
you kick us down in the dirt
bur we ain't goin' away
aye aye

I get back up when I fall
rip the paint off the wall
when I win
imam run and take the money

try to put me in a box
make me something I am not
don't give a fuck
cause I am gonna take back my superpower
my superpower
my superpower
my super power
my super power

don't you wanna be
you wanna be free?
don't you wanna be
you wanna be free?
Say oh oh oh

freedom!
Say oh oh oh
