

# Adam Lambert, The Tracks Of My Tears (American Idol Studio Version)

People say I'm the life of the party  
'Cause I make a joke or two  
Although I might be laughing loud and hearty  
Deep inside I am blue  
So take a good look at my face  
You'll see my smile looks out of place  
If you look closer it's easy to trace the tracks of my tears  
I need you, need you  
Since you left me if you see me with somebody else  
Seeming like I'm having fun  
Although they might be cute there's just no substitute  
'Cause you're the only permanent one  
So take a good look at my face  
You'll see my smile looks out of place  
If you look closer it's easy to trace the tracks of my tears  
I need you, need you  
Outside I'm masquerading  
Inside my hope is fading  
Just a clown since you put me down  
My smile is my make-up I wear since my break-up with you  
So take a good look at my face  
You'll see my smile it looks out of place  
If you look closer it's easy to trace the tracks of my tears  
So take a good look at my face  
You'll see my smile looks out of place  
If you look closer it's easy to trace the tracks of my tears
