

# Adam Pascal, Your Eyes

As we said our goodbyes  
Can't get them out of my mind  
And I find I can't hide  
From your eyes  
The ones that took me by surprise  
The night you came into my life  
Where there's moonlight I see your eyes  
How'd I let you slip away  
When I'm longing so to hold you  
Now I'd die for one more day  
'Cause there's something I should have told you  
Yes there's something I should have told you  
When I looked into your eyes  
Why does distance make us wise?  
You were the song all along  
And before this song dies  
I should tell you I should tell you  
I have always loved you  
You can see it in my eyes
