

Adam Rickitt, Give Me Your Heart

Tell me darling, do you love him
Has he touched your soul?
Do you need him, to keep breathing
Has he made you whole?
Cos when I sleep at night
I dream I hold you tight
Feel you close to me
Kiss you tenderly

Chorus:

Give me your heart, I'll keep it safe
Baby I promise that I'll never stray
Give me your heart, I'm here to stay
Baby I'll show you that we are the same
Does he love you, protect and console you
Like you wanted him to?
Or does he hurt you, betray and desert you
That's one thing I'd never do....

When I sleep at night
I dream I hold you tight
Feel you close to me
Kiss you tenderly

Chorus:

Give me your heart, I'll keep it safe
Baby I promise that I'll never stray
Give me your heart, I'm here to stay
Baby I'll show you that we are the same
Give me your heart

Never never

Give me your heart
Baby I'll show you that we are the same

Chorus:

Give me your heart, I'll keep it safe
Baby I promise that I'll never stray
Give me your heart, I'm here to stay
Baby I'll show you that we are the same
