

Adam Rickitt, I Can't Live Without Your Love

I CANT LIVE WITHOUT YOUR LOVE

Chorus:

I cant live without your love

I cant live without your love

If theres just one thing

Im so sure of

I cant live without your love

Im sorry for the things that I said

This is the time I know Ill regret

Every step I take is further from you

Oh what can I do

Its just another day

I let you slip away

Oh you know its true

Chorus:

I cant live without your love

I cant live without your love

If theres just one thing

Im so sure of

I cant live without your love

I fool myself that Im doing fine

But I know Im just counting time

See the places we used to go

Talk to friends they seem to know

Its just another day

I let you slip away

Oh you know its true

Chorus:

I cant live without your love

I cant live without your love

If theres just one thing

Im so sure of

I cant live without your love

If I could turn back the hands of time

I would keep the love I know to be mine

You know I would girl

If I only could girl

(Spoken) oh baby say youll be mine

You know Im sorry about the things I said

I dont know what I was thinking

But if you give me just one more chance

To prove what I say is true

Cos Im gonna give up my heart to you

Chorus:

I cant live without your love

I cant live without your love

If theres just one thing

Im so sure of

I cant live without your love
