

Adam Rickitt, Stars Are Falling

Night falls on the moon child
Heart calls with a piercing cry
Touch your hand as you close your eyes
Whisper a dream into the night
Who will hold you through the night?
Who will hold your guiding light?
Breathing deep and lying still
Silence waits with us until the

Chorus:

Stars are falling
Hear them calling
Oh oh oh oh oh
when we're together they'll shine forever
oh oh oh oh oh

Waves break on my mind
Feel my love through the sands of time
Take my hand like a distant child
Whisper a dream into the wild
Who will hold you through the night?
Who will hold your guiding light?
Breathing deep and lying still
Silence waits with us until the
Repeat chorus to fade
