

Adam Rickitt, You Make Me Believe In Love

Chorus:

Its of you Im dreaming
The touch Im needing
You make me believe in love
Its your scent Im breathing
Your beauty Im seeing
It makes me believe in love
I almost gave up on my dreams
Wouldnt know what true love means
But it feels so different
Deep inside of me
Now Im lookin in your eyes
For the first time Im alive
My heart is racing
Feel like I can fly

Chorus:

Its of you Im dreaming
The touch Im needing
You make me believe in love
Its your scent Im breathing
Your beauty Im seeing
It makes me believe in love
Its a new beginning
A reason for living
You make me believe in love
Its a whole new feeling
My faith is healing
You make me believe
Make me believe in love
You put the blue into my skies
Youre the gold in my sunshine
You can make a rainbow
When theres no rain in sight
I never needed someone more
Suddenly I feel reborn
Like a child I want you to hold me in your arms

Chorus:

Its of you Im dreaming
The touch Im needing
You make me believe in love
Its your scent Im breathing
Your beauty Im seeing
It makes me believe in love
Its a new beginning
A reason for living
You make me believe in love
Its a whole new feeling
My faith is healing
You make me believe
Make me believe in love
Now that I see you
Now that I feel you
Now I believe in love
