Adam Sandler, Somebody Kill Me Please

You don't know how much I need you
While you're near me I don't feel blue
And when we kiss I know you need me too
I can't believe I've found a love that's so pure and true

But it all was bullshit
It was a goddamn joke
And when I think of you, Linda
I hope you fuckin' choke

I hope you're glad with what you've done to me
I lay in bed all day long feeling melancholy
You left me here all alone, tears running constantly

Oh somebody kill me please
Somebody kill me please
I'm on my knees, pretty pretty please
Kill me
I want to die
Put a bullet in my head
