The Beer Song

Oh Once is the Malt Liquor

One gets you drunker quicker

One comes in bottles or cans

BEER

Cant get enough of it

BEER

How we really love it

BEER

Makes me think Im a man

BEER

I could kiss and hug it

BEER

But I rather Chug it

BEER

Put my belly up to here

BEER

I could not refuse it

BEER

I could really use a beer a beer a beer

Beer Beer Beer Beer Beer Beer Beer Beer Beer

I cant remember how much I have had

I drank a twelve pack with my dad (Burrrrrp)

Thats my son who drunk a manly stud

Im proud to be his bud

Here have some pretzels

No! Ill call it quits

Those things give me the Shwitz

Drinkin with your family

Drinkin with your friends

Drink till youre fat

Stomach distends

Beer is liquid bread its good for you

We like to drink till we spew ew

Who cares if we get fat

Ill take to that

As we sing once more

Oh Once is the Malt Liquor

One gets you drunker quicker

One comes in bottles or cans

BEER

Cant get enough of it

BEER

How we really love it

BEER

Makes me think Im a man

BEER

I could kiss and hug it

BEER

But I rather Chug it

BEER

Put my belly up to here

BEER

I could not refuse it

BEER

Call the authorities

Pour it down for me

BEER

Do it for me

BEER

Brew it for me

BEER
Feed it to me
BEER
Speed it to me

The most wonderful drink in the world
